### **Personal Statement**

A highly motivated and hardworking individual, who is currently completing their GCSEs, and expects to receive excellent grades in both Maths and Science. Seeking an apprenticeship in the engineering industry to build upon a keen scientific interest and start a career as a maintenance engineer.

Mechanically minded, with a methodical approach to working and an eagerness to learn and develop personal skills in a practical setting. Eventual career goal is to become a fully-qualified and experienced maintenance or electrical engineer, with the longer-term aspiration of moving into project management.

### **Education**

#### **Leigh School (2013 – 2020)**

##### GCSEs

- Maths – 8
- English – 7
- Science – 7
- 7 Other GCSE's including Humanities, French and Sport

##### A-Levels

- DT / Engineering – B (predicted)
- Maths – B (predicted)
- History – B (predicted)

### **Work Experience**

#### **Part-time Sales Assistant, Asda, Maidstone (April 2018 – Present)**

Duties and achievements include:

- 100% attendance since start date
- Recognised as employee of the month May 2019
- Regularly praised by management as a very efficient and competent employee
- Operated in a range of roles including chill, stock, customer service and tills
- Trained and promoted to customer service kiosk – a role normally reserved for more experienced staff

**Pharmaceutical Company (unpaid work experience)**  
**(Summer 2018 / Summer 2019)**

Duties included:

- Shadowed a key member of laboratory staff, observing their day-to-day work
- Spent a morning working within customer service centre, listening to client complaints and understanding company best practice when responding
- Assisted in project on risk management and contingency planning in case of failure at distribution centre
- Learned about company project management lifecycle methodology
- Gained knowledge of key health and safety standards used within the industry

***Babysitting – Younger brother***  
**(2017 - Present)**

Duties include:

- Looked after my younger brother and cousins on occasional weekend nights
- Put him to bed on time
- Ensured house was safe for him

**Hobbies & Interests**

Over the last two summers I have helped a family friend restore a classic sports car. This has triggered a passionate interest in mechanics and automotive restoration and, now that the project is finished, I have continued to build my knowledge by attending various classic car events.

During this time, I also decided to set up a blog around the project; initially starting as a way to ask other collectors for advice whilst tracking progress. After the success of my blog I was approached by my school press team to post an article in their termly magazine.
